

AIMIPAER / PROCUREMENT LIBRARY

Global Product Catalog

Seven product and capability universes. Use the catalog to scope an RFQ, not as a stock or final specification register.

DOCUMENT STATUS

Procurement reference edition / 10 September 2026. Not a final approved model datasheet, certificate, quotation or contractual warranty. Confirm the exact SKU, sample and written order terms before purchase.

Electronics, manufacturing and industrial technology

Aimipaer is a global electronics and industrial technology brand spanning consumer power, AI hardware, enterprise IT, manufacturing support, assembly, OEM/ODM, industrial print and custom procurement. Aviation Print Solutions is one specialized portfolio, not the company-wide identity.

Before you request a quote

Provide the product or application, quantity, annual volume, target market, delivery date and acceptance criteria. Specify manufacturing, assembly, custom logo, packaging, sample and private-label requirements. The RFQ form returns a stored reference. Email status is shown on the website; do not assume a mailbox is active.

References and service scopes

Catalog identifiers are not final SKUs. Final models, images and signed specifications require approval. Manufacturing entries describe configurable services, not fixed-price offers or claims of factory ownership.

Consumer Electronics & Mobile Power

Premium mobile charging, audio and connected accessories for users, retailers and distribution partners.

REFERENCE PORTFOLIO / CONSUMER & RETAIL

Reference / product	Application
CT-33 33W USB + USB-C Dual-Port Fast Charger	A compact charging option for daily device power and retail distribution.
CT-20 20W USB-C Fast Charger	A compact charging option for daily device power and retail distribution.
CT-45 45W GaN Fast Charger	A compact charging option for daily device power and retail distribution.
CT-65 65W GaN Multi-Port Charger	A compact charging option for daily device power and retail distribution.
CT-C66 66W USB-A to USB-C Cable	A reinforced high-current cable for compatible charging ecosystems.
CT-C100 100W USB-C to USB-C Cable	USB-C power delivery for phones, tablets and compatible notebooks.
CT-P10 10,000mAh 20W Power Bank	Portable reserve power for everyday mobility.
CT-P20 20,000mAh 22.5W Power Bank	Higher-capacity portable charging for longer working days.
CT-CAR 45W USB-C + USB-A Car Charger	A compact charging option for daily device power and retail distribution.
CT-TWS TWS Bluetooth 5.4 Wireless Earbuds	Wireless audio for mobile users and electronics retailers.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

AI Core Hardware

AI-ready systems, high-memory configurations and edge compute matched to your workload.

REFERENCE PORTFOLIO / ENTERPRISE & INTEGRATORS

Reference / product	Application
AI-MINI AI-Ready Mini PC	A configurable platform matched to the model, memory footprint and deployment workload.
AI-LAPTOP AI-Dedicated Laptop	A configurable platform matched to the model, memory footprint and deployment workload.
AI-EDGE Edge AI Workstation	A configurable platform matched to the model, memory footprint and deployment workload.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

IT Hardware & Electronics Supply

Project-based sourcing for enterprise computing, networks, peripherals and industrial devices.

REFERENCE PORTFOLIO / ENTERPRISE & RESELLERS

Reference / product	Application
IT-PC Enterprise PCs & Workstations	Project-based hardware sourcing with configuration and documentation review.
IT-SERVER Servers & Storage Systems	Project-based hardware sourcing with configuration and documentation review.
IT-TABLET Tablets & Mobile Computing	Project-based hardware sourcing with configuration and documentation review.
IT-NETWORK Networking Devices	Project-based hardware sourcing with configuration and documentation review.
IT-PRINT Printers & Scanners	Project-based hardware sourcing with configuration and documentation review.
IT-POS POS Devices	Project-based hardware sourcing with configuration and documentation review.
IT-INDUSTRIAL Industrial Electronics	Project-based hardware sourcing with configuration and documentation review.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

Manufacturing & OEM/ODM

Electronics manufacturing support, assembly coordination and OEM/ODM development from an approved brief to export-ready production.

REFERENCE PORTFOLIO / BRANDS & MANUFACTURING PARTNERS

Reference / product	Application
MFG-LABEL Private Label & Product Configuration	A configurable service scope, not a stocked product or fixed-price manufacturing offer.
MFG-ODM ODM Product Development Coordination	A configurable service scope, not a stocked product or fixed-price manufacturing offer.
MFG-ASSEMBLY Assembly & Production Coordination	A configurable service scope, not a stocked product or fixed-price manufacturing offer.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

Industrial Print Consumables

Compatible impact ribbons, DCP inks and print consumables specified around your equipment.

REFERENCE PORTFOLIO / INDUSTRIAL OPERATIONS

Reference / product	Application
AV-DASCOM Dascom 1140 / 1145 Compatible Impact Printer Ribbon	Compatible impact-printing media for repeatable operational output.
AV-FUJITSU Fujitsu DL300 Series Compatible Impact Printer Ribbon	Compatible impact-printing media for repeatable operational output.
IP-DCP DCP Printer Inks	Ink supply matched to your exact printer, application and operating conditions.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

Aviation Print Solutions

Baggage identification and boarding media for airports, airlines and aviation integrators.

REFERENCE PORTFOLIO / AIRPORT OPERATIONS VERTICAL

Reference / product	Application
AV-RFID Automated Thermal RFID Bag Tags	Baggage identification media designed for automated RFID tracking workflows.
AV-ATB ATB Boarding Passes	Direct-thermal boarding stock for passenger boarding and secure scan validation.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.

Custom Procurement

Product matching, supplier coordination, OEM / ODM support and export-ready order handling.

REFERENCE PORTFOLIO / MANUFACTURING & GLOBAL SUPPLY

Reference / product	Application
CP-SOURCE Custom Product Sourcing	A coordinated sourcing service from requirement review to agreed shipment preparation.
CP-OEM OEM / ODM Packaging Support	A coordinated sourcing service from requirement review to agreed shipment preparation.
CP-EXPORT Export-Ready Procurement Support	A coordinated sourcing service from requirement review to agreed shipment preparation.

Confirm configuration, sample acceptance and supporting documentation with the quotation. No dealer authorization or certification is established by this catalog.
